Dear Parents and Guardians,

**Hampton School District will be pivoting to remote instruction on Monday November 23<sup>rd</sup> and Tuesday November 24<sup>th</sup>. Buses will not run bus routes on those dates and all students will be off site.**

**Onsite instruction will resume on Monday, November 30<sup>th</sup>.**

We continue to see community spread of COVID in the district geographical boundaries.

The school is of course a reflection of what is occurring within the community. The district continues to see the impact of the current spike in COVID activity. The impact is students who are being placed on quarantine for 14 days as well as staff members being quarantined.

In virtually all instances of students or staff being quarantined, the contact with the individual who has tested positive has occurred outside of the school environment resulting in students or staff being placed on quarantine.

The safety of our staff and students is very important to us. We appreciate your understanding and patience as we work through this unprecedented time. I cannot thank you enough for all you do to help us, especially in these uncharted waters.

Let's continue to work together to control the spread of the virus while allowing our students to continue to participate in extracurricular activities and on-site instruction.

Thank you for encouraging your child to wear a mask, wash hands thoroughly, and social distance at all times. Again, thank you for your patience as we work through this process and get everything figured out as a team! #BulldogStrongerTogether!!

Sincerely,

A handwritten signature in black ink that reads "Doug Worley". The signature is written in a cursive, flowing style.

Doug Worley

Superintendent Hampton School District
