

Hampton School District
Remote Learning Announcement #2
August 27, 2020

If your Hampton Remote Learning Student has not received his/her login information, please send an email to remotelearning@hampton.k12.ar.us with the child's name and grade. All students must have a state ID, a class schedule, and a Hampton School email address. If any of this information is missing, login information cannot be generated. As soon as the information has been completed in eSchool, the information will upload overnight. At that point, login information should be available.
